TRAILHAWK	1.3 GSE PHEV eAWD AT 240HP	PHEV	687.H6V.2	47	2.0	1	€49,995

\* Fuel consumption and CO<sub>2</sub> figures determined on the basis of the new WLTP test procedure as per Regulation (Regulation (EU) 2018/1832). Only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures.

Figures for Renegade 4xe PHEV were obtained after the battery had been fully charged and using a combination of battery power and fuel. The Renegade 4xe is a plug-in hybrid vehicle requiring mains electricity for charging.

These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Additional equipment and or options may also affect fuel consumption and the CO<sub>2</sub> emissions produced. For further information, please visit [Jeep.ie](http://Jeep.ie) or contact your preferred authorised Jeep® dealer.

\*\*RRSP excludes dealer delivery and related charges. Pricing relates to current stock only. New / Bespoke orders may be subject to a price increase.
